

THE LINCOLN
MOTOR COMPANY

2017 LINCOLN MKZ

The 2017 Lincoln MKZ combines intuitive technology, effortless performance and distinctive design to deliver an enhanced driving experience Lincoln calls quiet luxury. The Lincoln MKZ focuses on key attributes most desired by today's luxury midsize sedan customer – quality, performance and style.

Effortless power

Combining smooth power from the available 3.0-liter twin-turbo V6 making 400 horsepower and 400 lb. ft. of torque* with the exceptional handling of all-wheel drive, Lincoln MKZ offers extraordinary strength and capability for a composed, controlled ride. It's a customized driving experience that's the cornerstone for quiet luxury.

Intuitive technologies

With Lincoln MKZ, everything works together seamlessly and holistically to deliver the best possible driving experience. Electric power-assisted steering, Lincoln Drive Control and active noise control combine to create a comfortable, quiet ride. Meanwhile, available pre-collision assist with pedestrian detection, adaptive cruise control with stop-and-go capability and enhanced active park assist allow the driver to focus on the pure pleasure of driving.

Revel audio

With its dedication to the highest level of quality and craftsmanship, Revel® audio brings every note to life, allowing the Lincoln MKZ to become a true sanctuary of sound. Revel is available in both 14- and 20-speaker systems.

Lincoln Black Label

Lincoln Black Label is the most elevated expression of Lincoln luxury and personal service offered by Lincoln. It includes choosing curated designer themes available for the 2017 MKZ: Thoroughbred, inspired by horse racing; Chalet, inspired by alpine beauty; and Vineyard, inspired by artisanal excellence.

*Horsepower and torque ratings achieved with 93-octane fuel.
